PROLOGUE

THE OPENING OF A PRODUCTION THAT HAS TAKEN YEARS TO ACHIEVE IS INDEED FILLED WITH EXCITEMENT, ANTICIPATION, AND PRIDE. THE PRODUCERS OF THIS GALA PERFORMANCE HAVE PRESENTED US WITH A PRICELESS OPPORTUNITY TO GROW, SHARE AND REHEARSE ON OUR STAGE HERE AT HOBAN. WE HAVE BEEN ABLE TO ACCEPT AND BRING TO LIFE A VARIETY OF ROLES UNDER THE WATCHFUL EYES OF OUR DIRECTORS WHO HAVE UNTIRINGLY SHARED THEIR TALENTS. THE FINAL INGREDIENT IS ALSO THE MOST IMPORTANT ONE — THE CAST. THE SUCCESS OR FAILURE OF ANY PRODUCTION LIES WITH THE PLAYERS. THE SCRIPT HAS CALLED FOR MEETING A VAST ARRAY OF EMOTIONS AND SITUATIONS DURING OUR STAY AT HOBAN. THE PERFORMANCES WERE AS DIVERSE AS THE PERFORMERS.

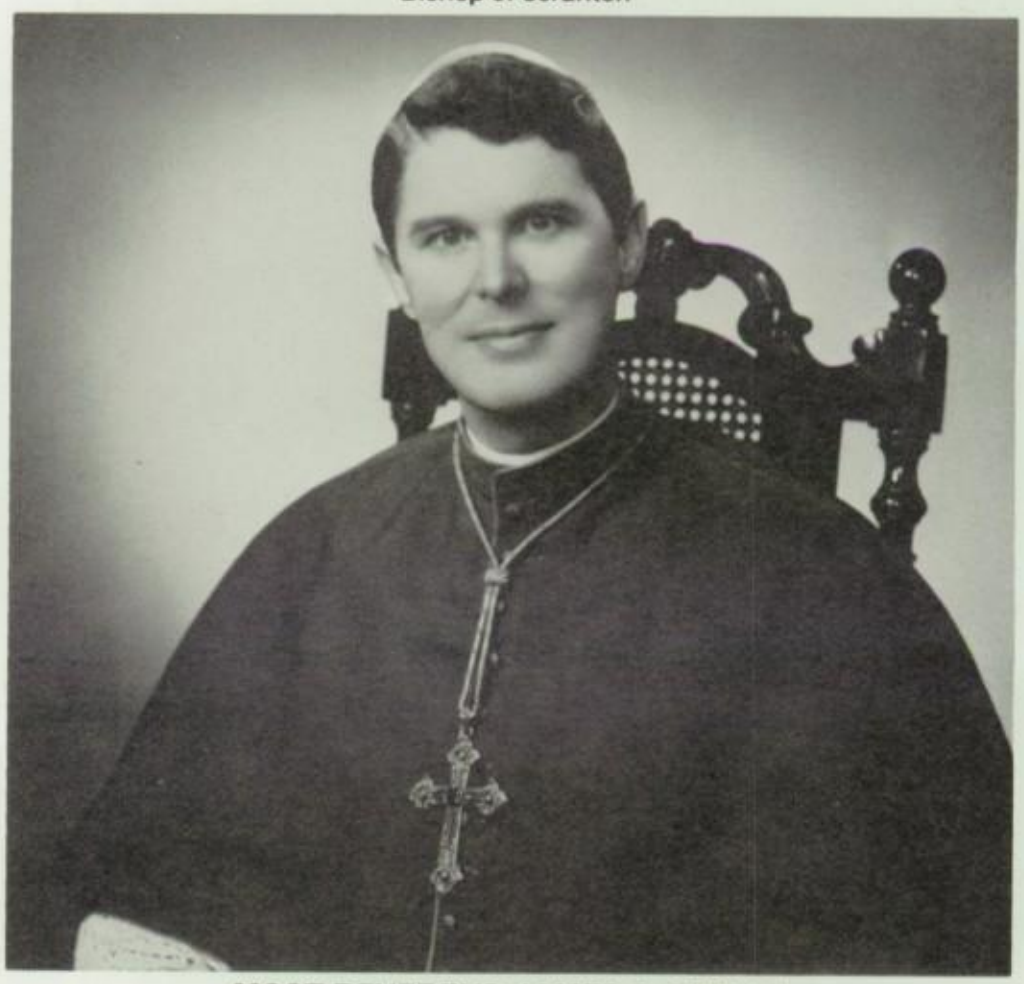
MOST REVEREND J. CARROLL McCORMICK
Bishop of Scranton



MOST REVEREND JAMES C. TIMLIN
Auxiliary Bishop of Scranton

NO MAJOR PRODUCTION EVER GETS OFF THE GROUND WITHOUT PROPER ASSISTANCE AND SUPPORT. BISHOP HOBAN HIGH SCHOOL EXISTS BECAUSE OF THE FAITH AND GENEROSITY OF MANY PEOPLE. BISHOP J. CARROLL McCORMICK INITIATED THE BUILDING OF BISHOP HOBAN HIGH SCHOOL. HE AND AUXILIARY BISHOP TIMLIN CONTINUE TO SUPPORT BISHOP HOBAN HIGH SCHOOL IN EVERY POSSIBLE WAY WHILE FATHER GERALD BURNS AND HIS ADMINISTRATIVE ASSISTANTS WORK TOGETHER TO MAINTAIN THE EXISTENCE OF A STRONG CHRISTIAN ACADEMIC INSTITUTION.

Hoban's leaders provide direction

Being at the top is never an easy task. The daily decisions which affect the lives of so many people are made cautiously and courageously. The Bishop Hoban production owes its long-running and ever-increasing success to those who maintain the calm on a stage where administrators, faculty, staff and students meet daily. Father Burns' sincere interest in his students is shown by his "open door" policy. As students know, they are free to see Father Burns at any time to discuss any problems.

In the office next to Father Burns, Sister Gemma works to see that the academic reputation of Hoban stands second to no other school.

Every production has its minor problems and when such difficulties occur, they are soon solved. No one person is as well known as Mr. Majikes. Also well known is the fact that he handles any student difficulties justly and works to develop a generally cooperative spirit at Hoban.

A school's primary function is to educate the youth of a community and to prepare them to meet challenges in the years ahead. An enthusiastic and creative feeling flowed from the basement corner where the art rooms are located. From the potter's wheel, to the easel, to the drawing boards, to the sculpture's clay, students found an enjoyable, relaxing and rewarding atmosphere in their art classes. As always Sister Gerard's crafts classes walked proudly through the halls displaying their clever creations and drawing crowds of happy spectators.

Making music from their own little corner of the Hoban stage, instrumentalists and vocalists alike practiced untiringly from June to June. Their efforts were encouraged by Miss Ann Manganiello, a newcomer to the music department. She offered her talents in the direction of the freshman/sophomore chorus, seasonal singers, color guard, and general music classes. No liturgy, performance, assembly or activity was complete without the presence of some of Hoban's musicians.

Library research complements English

MISS DONNA MARINO
Assistant Librarian

It was back to basics in education and Hoban was no exception. Intensive vocabulary and spelling sessions were combined with basic writing rules to hopefully improve the standards of written English and the declining SAT scores.

Seniors opted in large numbers to study the fundamentals of composition and grammar review before heading off to college. Underclassmen spent their English periods studying the language and being introduced to a variety of literary forms.

The English Department was most fortunate in being able to assign research and other projects knowing the students would have little difficulty finding sufficient materials to aid in their assignments. Hoban's library proved to be the best high school library in this part of the state.

The study of British Literature prompts a variety of reactions from the juniors.

Students study the past, evaluate the present

The world is the largest stage for man's development and Hoban's History Department covers a comprhensive spectrum of human events. Freshmen and Sophomores viewed an overall scene while Juniors and Seniors concentrated on more specialized areas of study and delved into the finer points surrounding our American heritage.

In addition to selected courses, the department offered an opportunity for involvement in extracurricular activities such as the Model U.N. and the Model Senate. While working with Sister Ancilla on these endeavors students were enlightened toward a better understanding of our country and its domestic and foreign policy.

Religion classes are the primary reason for the existence of Bishop Hoban High School. It is through the understanding of Christ's life and message that Hoban's students find meaning and values in their own lives and the lives of those around them.

The full-time and part-time religious education teachers strive to have the Christian values they teach permeate throughout the Hoban community. The generosity of the students in coming to the needs of others many times throughout the year is truly proof of the spirit which dominates at Hoban.

Father James Jacobs, Father Thomas Shoback, Father Michael Litcheck, and Father Thomas Yaszcz joined the Religious Education Department this year.

Business courses meet diverse interests

Hoban's business education rooms flourished with activity ranging from advanced shorthand for the secretarial students to the personal typing classes offered to college-bound students.

The intricacies of the economy in today's society require a sound understanding of business, and the Business Department met these needs by offering courses in accounting, bookkeeping, and consumer education. This department, perhaps more than any other, concentrated on readying students for immediate post-graduate careers and prepared those continuing their education by offering them the most useful business background possible.

Students see math courses as essential

Today there are more opportunities to pursue a life-time profession in the field of math than ever before. The Math Department lays the foundation and offers a number of advanced math courses to the math and science career-oriented students. Even for those who do not intend to further their studies after high school the basic math courses offer them the background they will need to live and work in a world where everyone faces daily computations.

Sister Miriam, CSB, joined the ranks of the math teachers this year and worked along with other members of the department to maintain the Hoban tradition of excellence. Year after year the Argents have walked away from both the Diocesan Math Contest and the Luzerne County Math Contest bearing trophies and awards.

Sister Denis Anne, CSB was named chairperson of the department and along with other new teachers, Mr. Ametrano, Mr. Gowisnok, and Mr. Kane began working immediately to explain scientific principles and unravel the mysteries of the universe. The teachers set out to teach physics laws, chemical equations, biological terms and fundamental scientific laws. Advanced courses in biology and chemistry met the specific needs of students planning to major in science in college. Science, as it should be, proved to be a challenge — a challenge most students readily accepted.

Beneath the meaning of any foreign language lies the fascinating world of foreign people, places and customs. Students venturing into Latin, German, Spanish and French came to appreciate their language studies and their neighbors around the world.

Freshmen found their first year of language study fascinating while second year students improved their knowledge of grammar. The advanced students spent their efforts on improving their reading of the language and conversing more freely. A small group of Argents traveled each day to join with hundreds of students from other area high schools in taking advantage of special courses designed for those who prefer to enter one of the technical fields. The courses are designed to offer invaluable experience in the area the student chooses to study. The equipment and materials at Vo-Tech are the finest possible and the instructors knowledgeable and patient. In a world where competition is so strong, this group of Hoban students have a great advantage after graduation. The knowledge they have acquired plays a crucial role in their success in their chosen careers. A number of seniors were also offered the option of going on the Co-op program which allows them to leave school and work under the supervision of a master worker.

SOPHOMORE CLASS OFFICERS: Bob Belles, treasurer, Joan Egan, secretary, Mary Lynn Stofey, vice-president, Christopher O'Donnell, president.

In leaving behind the novelty of their freshman year, sophomores begin to adjust to the perplexing schedules and find new experiences in extracurricular activities. Their second "stage" at Bishop Hoban is one of enthusiasm, learning and enjoyment. They can look back upon their debut with humor and look ahead with expectation toward their junior and senior years. Involvement in school functions such as sports, clubs, student council and the play encourages school spirit. As they rehearse for their last two years at Hoban they realize the importance of giving of themselves to make their time at Hoban rewarding.

Freshmen accept their role with assurance

The stage is set for a new group of eager young actors and actresses. The stage to them is new and large and sometimes frightening. The energetic "Frosh" soon blend in and assume their new roles with little difficulty. They bring a freshness and an enthusiasm which can be felt by all, and which helps them to face the challenges Hoban will offer to them. Their flustered or bewildered looks during the first week of school soon turn to looks of confidence as they adapt so well to the busy life and the roles required of them on the Hoban stage. The class of '81 performed with all the spirit expected of true Argents.

Trying to unscramble the floor plan of the school, Jerry Messer courageously plots his course on the first day of school.

The stage was set for a new production on October 13 when nearly one hundred students and one Dean of Students "volunteered" their services as indentured servants. The first Argent Auction was well received by an enthusiastic group of buyers who helped make the event both a financial success and a good time for all. Owners enjoyed the comfort of the good life as the purchased Argents worked hard to fulfill their master's every need.

The auction was sponsored by the Student Council. Bea Cravatta served as chairperson and Dan Vestyck, Mary Kay Gattuso and Ed Rayeski provided the art work and designs for the auction.

Blood drive not in vain

Separating the plastic bags used for the blood, Linda Mignone and Ann Bekampis prepare for the onslaught of donors.

There was blood all over the auditorium lobby. Many students and teachers were lying about. Yes, the Hoban family once again displayed its generous community spirit by being one of the first schools in the area to organize and conduct a blood drive for the eligible members of the student body and faculty. The response for the needed blood was immediate and pledges were received from more than eighty hopeful donors. The student council worked along with Father John Foley who made the students aware of the need for blood. The drive was simply another way in which the Hoban students recognized and put into action their concern for their fellow man.

C.L.C., mission club work to help others

There is no greater gift one can give than to give of himself. The C.L.C. worked throughout the year to put this belief into action. The group donated their services to a number of organizations and spent their weekends visiting Valley Crest and Little Flower nursing homes. The group also put time aside to spend in prayer along with advisor, Sister Eugenia Marie, S.C.C.

The generosity of Hoban's students brought them a 2nd place ranking among the diocesan high schools for money collected during the 76-77 school year. Sister Redempta, I.H.M. directed the 55 mission moderators who were responsible for the weekly collections. The effects of the collections were far-reaching, bringing aid to a number of less fortunate people.

Bishop Hoban looked to the Happy Days of the 50's for its Homecoming theme this year. The activities began with a bonfire to encourage the spirited team. The enthusiasm was carried on the next day by the traditional pep rally, but this year it took a different twist. Students were urged to dress in the fashion of the 50's for school and the Sock Hop which followed that night. Another addition to the activities was the decoration of the halls by each individual class. Freshmen proved to be the best and their creativity brought them the first place award. The theme progressed successfully as the involvement of the students reached a new high. The football game against Lake Lehman was highlighted by the crowning of LeeAnn Pientka and her escort, Fran Galli, as Homecoming queen and king. The unique approach to homecoming activities was planned by Miss Dolores Barno and Mrs. Lore Majikes.

The theme, Fall Fantasy, was chosen and the Hall elaborately decorated by a highly organized committee headed by Laurie Sulkowski and Donna Olshefski.

Council spearheads activities, fund raising

Bishop Hoban's Student Council initiated its 1977-78 school year with the installation of officers and representatives. Working as a bridge between the student body, administration and faculty proved to be the key theme of council involvement this year.

The governing body coordinated many of the dances, skating parties, assemblies, Masses and social events throughout the year. In addition to its service to the school, the Council also aided the community by preparing Thanksgiving Day food baskets for the needy of Wyoming Valley.

The group, directed by Sister Gertrude, RSM, sponsored fund raising events such as the Candy Sale, Magazine Drive, and the Argent Auction.

Besides offering activities for the student body, the Council provided its members with the opportunity to act in positions of leadership and responsiblity.

Hoban's prestigious newspaper, THE FOURTH ESTATE, continued to gather laurels in its capture of the Professional Media Association of the Northeastern Pennsylvania's "Headliner Award," as well as the top rating given by the Pennsylvania School Press Association.

Leading this talented staff for a second consecutive year were senior co-editors Jacquelene Lyons and Gary Yenkowski. The newly-formed editorial position of managing editor was occupied by Junior Joseph Anistranski. Together with adviser, Mr. Michael Booth, they successfully completed four issues of the highly acclaimed newspaper.

The staff worked diligently throughout the year and displayed not only a fine overall publication but brought out many individual talents in the field of journalism.

Varsity squad captures awards

It was a year of victories for the varsity cheerleaders. During the fall the girls entered two different contests and walked away victorious in each. Relying on great originality and a true spirit the girls captured first place hon ors during the Bishop Hafey Basketball Tournament. Later in the same week the girls entered into competition at the CYC Cheerleading Contest. They walked away from the CYC with two trophies, one for the Pom-Pom competition and a 3rd place award for cheering. Later in the year the cheerleaders entered the King's College Contest. Lisa Solomon and Michelle Baker served as co-captains and Mrs. Lore Majikes served as the girls' moderator.

Players present "a most loverly story"

A colorful combination of imaginative characters, lively music, and loyal crews put their talents together on December 9, 10, and 11 to present Bishop Hoban's fifth annual musical, **My Fair Lady.** Under the capable direction of Sister Mariella, S.C.C., the play provided an evening of excitement and charm for the audience. Susan Nied and Frank Shiner gave first-rate performances as Eliza Doolittle and Henry Higgins. Their versatility, along with the notable performances of Mark Letoski, Bob Alexander, and Bill Thornton blended to bring the audience to its feet in applause. The vocalists under the direction of Miss Ann Manganiello and the orchestra conducted by Mrs. Carmella Faust contributed greatly to the elegance of the play. Miss Patti Ritchie's excellent directing of the choreography put the finishing touches on the superb musical.

Bishop Hoban High School is a "stage" in many aspects, and the annual musical offers exciting opportunities to those interested in broadening their horizons and exploring their talents.

Arc staff "sets the stage"

ARC '78 tri-editors Susan [illegible]ied, Suzanne Convery, and Janet Konopczyk confer before making the final decision concerning the opening section of the book.

"All the world's a stage . . ." and the 1978 Arc staff worked throughout the year to apply that concept to life at Hoban. They worked diligently to produce a record which would capture many of the stages here at Hoban.

A small group of seniors worked under the direction of Mr. Martin J. Kane, yearbook advisor, for many weeks before the theme met everyone's approval. Art editor Dan Vestyck made the job even easier by capturing exactly what the staff seemed to have in mind. Senior photographer Jim Panzitta was also always in demand as he was generally coerced into going wherever he was needed.

Many juniors also began working on the yearbook staff and were introduced to the joys of writing captions, copy and headlines, drawing layouts and cropping pictures.

Soon after beginning work on the '78 Arc Mr. Kane received word that the 1977 Arc had captured a Medalist rating from Columbia University and a first place award from The Pennsylvania School Press Association.

Of course, the '78 Arc could not have been possible without the performers, the wonderfully talented cast. For without them, there would have been no stage, no memorable performances.

APPLAUSE

Giving all his strength, Dan Vestyck nears the finish line.

Well on their way to the finish line Fran Galli and Steve Scherer leave everyone behind.

A strong Argent team begins with determination and spirit and ends by handing Nanticoke Area a defeat.

THE SOUND OF APPLAUSE IS ONE OF THE MOST IMPORTANT REWARDS ANY PERFORMER CAN ASK FOR. THE CAST'S WORK AND REHEARSALS OCCUR AWAY FROM THE GENERAL PUBLIC. NOT MANY PEOPLE REALIZE THE LONG HOURS THAT MUST BE PUT INTO A PRODUCTION BEFORE THE FINAL PERFORMANCE. THESE HOURS REQUIRE STRENGTH, PATIENCE, AND CHARACTER. WHETHER THE ARGENTS FINAL STAGE IS THE FIELD, THE POOL, THE TRACK, OR THE COURT, THE FINAL PRODUCTION IS ONLY AS GOOD AS THE HOURS WHICH GO INTO MAKING IT. THE APPLAUSE WHICH FOLLOWS THE PERFORMANCE IS JUSTLY DESERVED, WIN OR LOSE.

Crossing the finish line, John Miskin rejoices in the prospect of another victory.

After beginning the season as a team rated with little chance of finishing near the top in the Wyoming Valley Cross Country League, the 1977 Hoban Cross Country team came on to develop into one of the most successful squads ever at the school. Under first year Coach Jerry Wierbowski, the Argents compiled an impressive 11-1 record, and finished the season with ten consecutive victories. Wins over Wyoming Valley West and Nanticoke Area established Hoban as the top AAA team in the valley and the harriers went on to win the District II class AAA title by an overwhelming 35 point margin. Bishop Hoban was also the top area finisher at the State Championships, where the team placed 18th.

Leading the way throughout the season was junior Dan Vestyck who captured individual honors in the District II race as well as the Cliff Robbins Memorial Cross Country Meet. Dan was also voted a spot on the 2nd annual Sunday Independent All-Scholastic Cross Country Team.

Senior Fran Galli also won a place on the All-Scholastic Team for his performances, which included third place showings in the District and Robbins races. The team returns three of its top runners in Vestyck, and juniors Steve Scherer and Joe Anistranski.

Hanover victory highlights season

Forced to learn their third new system in as many years, the Bishop Hoban Football Team developed slowly but surely during its 1977 campaign. Coach Fennell faced a great challenge as his Argent squad was both young and inexperienced. Still, the Argents displayed great spirit, determination, and a desire for victory.

Despite facing powerful teams, the Argents were only shut out three times. Exceptional individual performances were observed in each contest. Hoban surprised many of its strongest opponents. The come-from-behind effort against Bishop O'Reilly along with the final game upset victory over Hanover illustrated the gradual development which is occurring in the football program at Hoban.

Powerful Argents pack punch in pre-season victories in CYC and Hafey tournaments

Combining their exceptional talents, the varsity team opened its 1977-78 season with a stunning victory over Allentown Dieroff, one of the top-rated teams in the state. The Argents then proceeded to defeat Bishop Hafey High School and capture the tournament title. In their next eight exhibition games the squad faced only one defeat, this coming at the hands of Hanover Area in their miniature gymnasium. For the second year in a row the Hoban team captured first place in the CYC McGrane Tournament by defeating city rivals GAR and Meyers. Junior Bill Thornton was named Most Valuable Player in both the Hafey and CYC Tournaments.

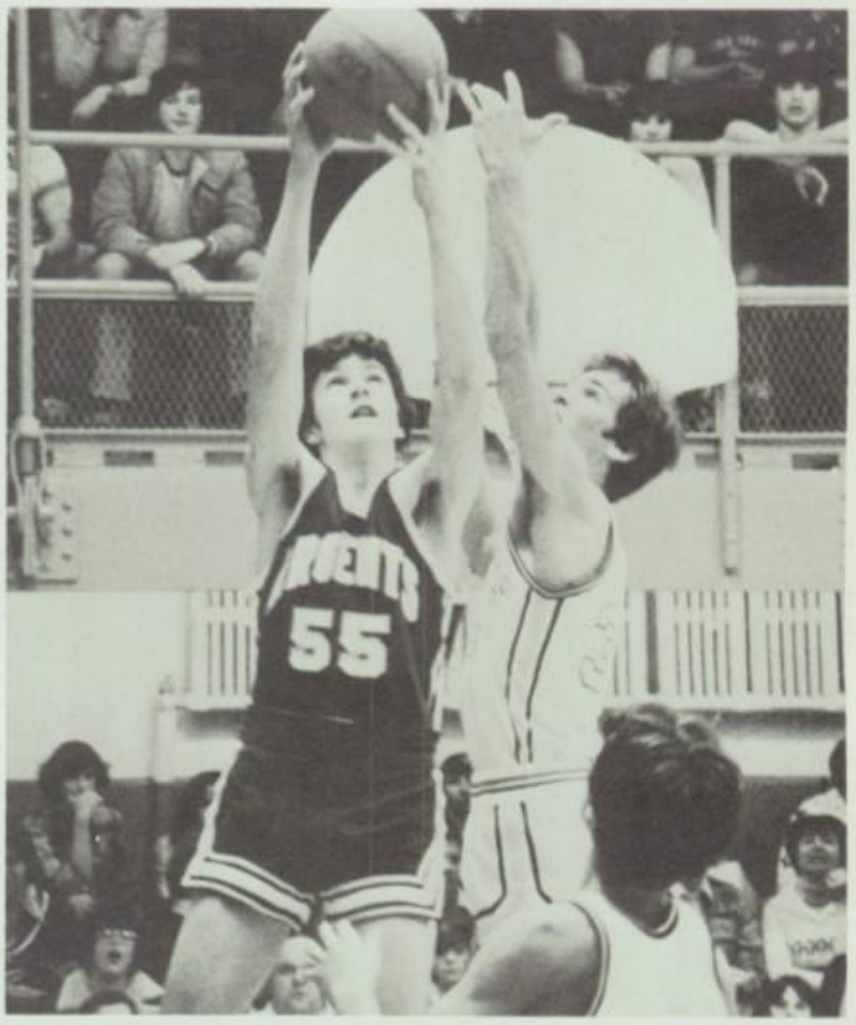
First half slump slows boys' pace

Carrying the best exhibition record of any team in the area the Argents began what was to be a very long first half. The first league game saw the cagers losing to Valley West. This initial loss seemed to dampen the Argent drive and subsequent losses lowered the players' spirit. Coach Chet Hine's team moved to the final game of the first half and pulled the upset of the season by defeating previously undefeated Pittston Area at Pittston.

The varsity began its second half play with a fresh and revitalized hope. Travelling to Valley West for the first game the Argents seemed to have regained the momentum they needed. Their first test came early as junior Bill Thornton was forced to leave the game in the second period following an extremely controversial call. The team didn't give up and fought till the final seconds losing by only four points. The next Argent loss in a close game at Nanticoke was to be the final loss of the season. The team rallied and surged ahead for the remaining games. In their final two games the Argents defeated city rival Meyers and then went on to again defeat Pittston Area in one of the season's most unforgettable games.

In an attempt to tie the game Ron Roebuck takes a strong outside shot.

An elated Norman John jumps for joy after Hoban's victory over Pittston Area.



It's a jump ball and Mickey Banas makes it look like "taking candy from a baby."

A Wyoming Area player can't believe what's happening as Tom Leighton makes a quick steal.

Ray Yedlock and Pat Flaherty use team work under the basket.

After losing their opening game of the season against Scranton Central, the junior varsity team moved on to defeat six opponents in a row in pre-season play. League action saw the JV's facing three losses in the first half including a four point loss to Valley West and a two point loss at Nanticoke. The second half record was even better for the Argents with the only defeat coming against Meyers. Team play led to team victories. A number of young players contributed almost equally to the successful JV season. Juniors Gene Smith and Matt Choman, and sophomores Joe Slavoski, Joe Koval, Joe Mocion, Ray Yedlock, Pat Flaherty and Stan Kucewicz each contributed to the strong defense and consistent team effort to bring the junior varsity team to its fifth consecutive winning season under Coach James Maloney.

Coach Larry Walko gives his team members some final pre-game instructions.

Second season Coach Larry Walko directed his young talent into a second place standing in league play and an overall season record of 18-4. The team's only two league losses came at the hands of the undefeated Pittston Area team. A number of talented freshmen were taught the basics concerning team play. A strong defense proved to be the key to the successful year on the courts. Dan Polacheck, Gil Simon, Jim Curry, Sam Depasquale, Mike Overa, Mark Soprano and Ed Blajzewski played consistently fine ball. The frosh should be heard from again in the future as Hoban's top-rated basketball teams continue to make their presence known in the Valley League.

With the defense closing in on him Gil Simon prepares to pass the ball to a teammate who's open.

Gaining the rebound Sam Depasquale and Dan Polacheck take the ball downcourt.

Close games, losses plague varsity girls

Struggling through a long and frustrating schedule, the varsity squad saw only one victory in league play coming at Meyers as the season drew to a close. This one game however, cannot begin to appraise the overall season. None of the girls' opponents found their victories easy when they faced the Argents. The spirit and eagerness of the team did not die out. Seniors Sue Wajers, Eileen Beddall and Jane Rinker gave the underclassmen the example of team spirit which is so very important in competing. The girls suffered through one and two point losses to such teams as Coughlin, Bishop O'Reilly, Nanticoke and Pittston. The urge to win never ceased despite the lack of victories. Sue Wajers and junior Betty Jean Schwerdtman gave the fans many exciting moments as they continually played outstanding basketball. Amidst the disappointment of the girls and Coach Judy Lugiano the most useful knowledge of all was gained. The talented freshmen, sophomores and juniors gained that all-important expe-rience.

As usual, Sue Wajers and Eileen Beddall are in the middle of things.

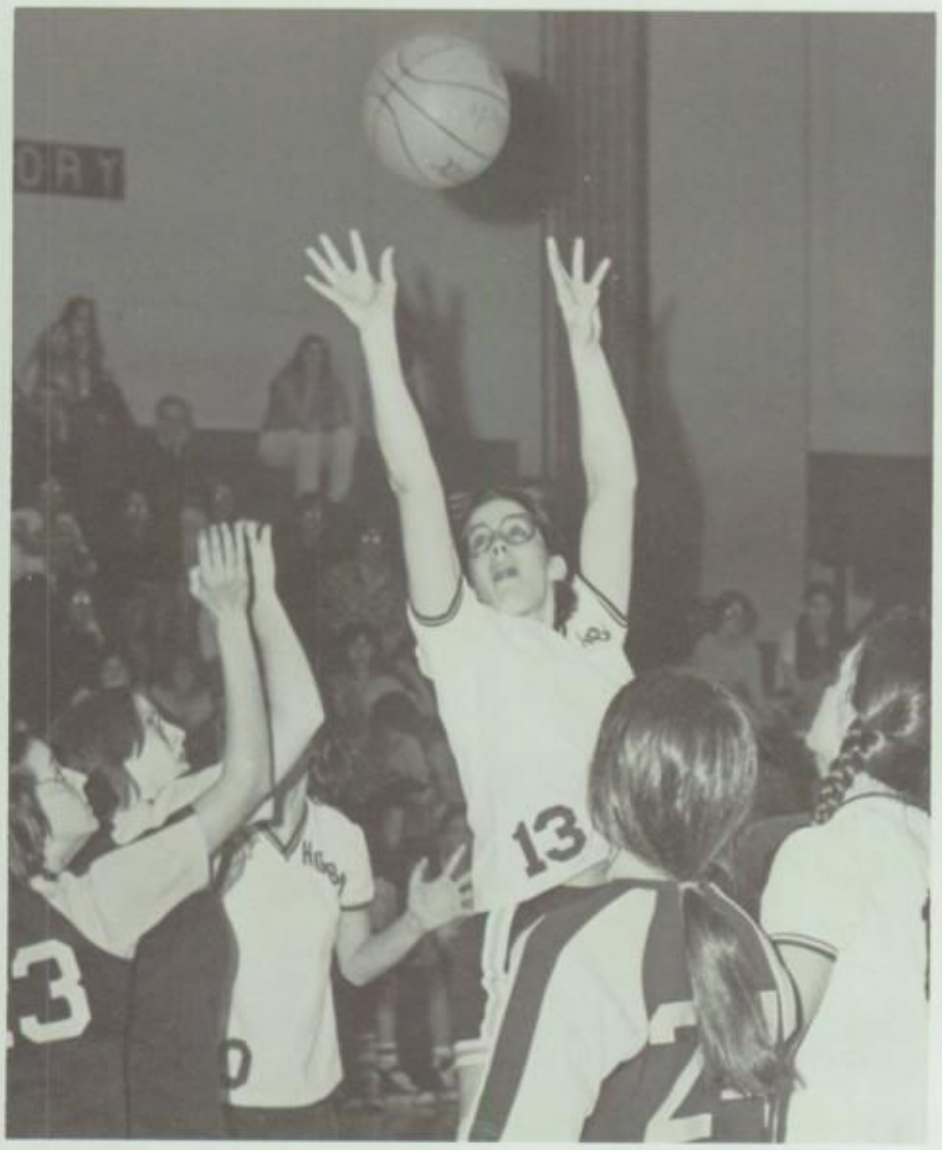
Talented JV's show promise

Hoban's junior varsity girls impressed their own followers and most of the teams they encountered during the season. Following an exhibition record of three wins and no losses the girls continued playing fine ball and compiled a season record of 9-5. A strong bench aided the team which shows exceptional talent and depth. Underclassmen Kathy Konopelski, Charlene Hurst, Mollie Wildes, Karen Novick, and Chris Reiss did an outstanding job for the JV Squad.



Hilda McMullins looks for help as she is about to pass the ball.

Betty Jean Schwerdtman sends the ball sailing toward the bucket.

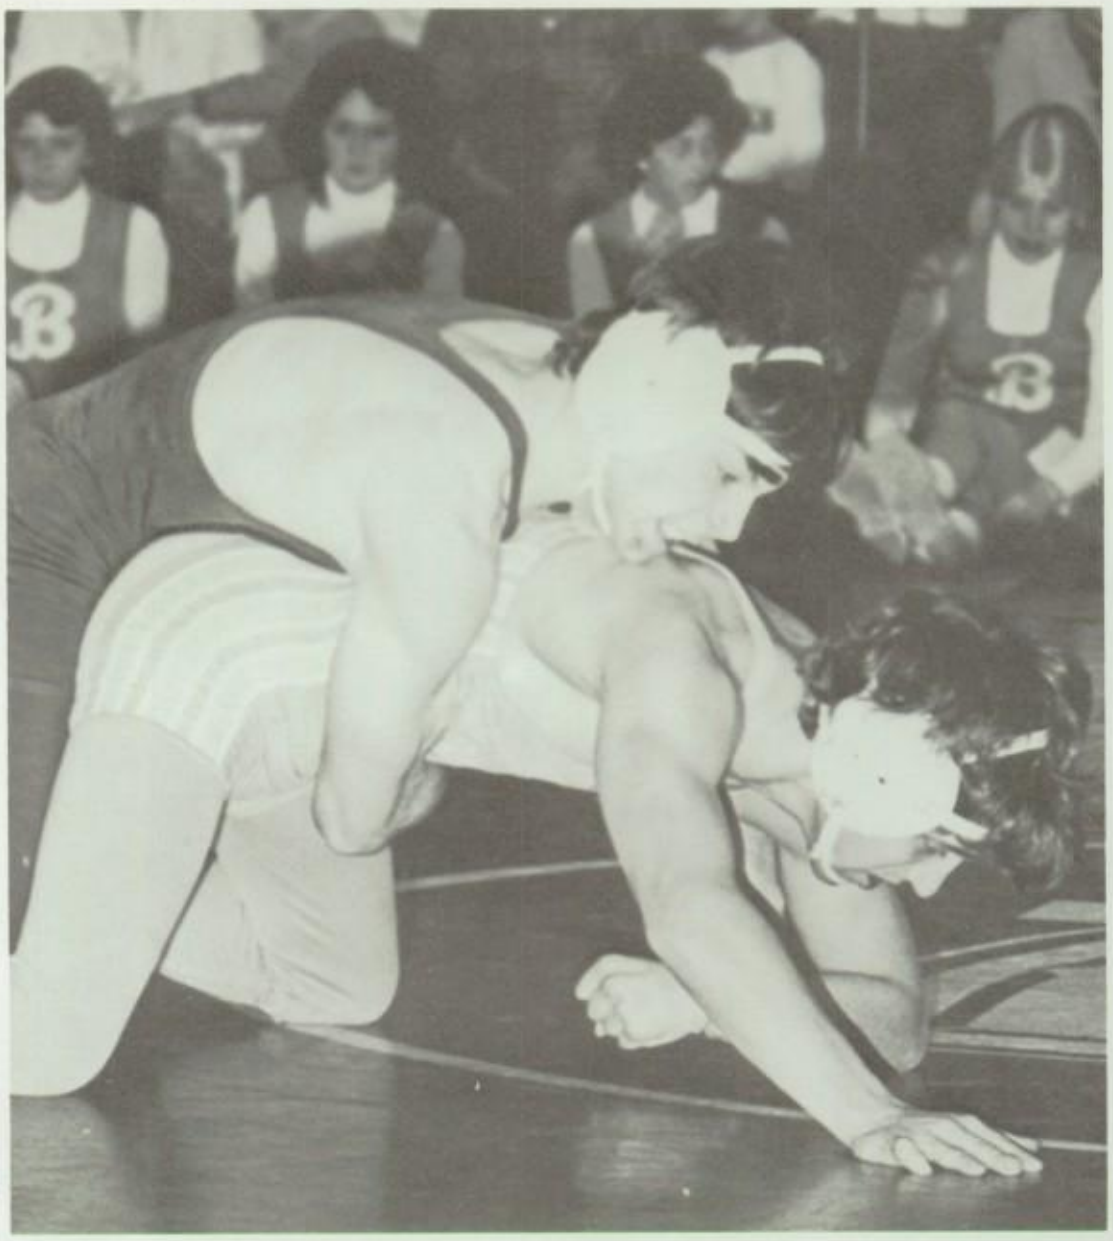
Individual efforts improve team record

Although the Argent wrestlers did not have a winning season, individual stamina and determination were commendable. For the most part, Coach Ken Malia's team was inexperienced. Victories against Scranton Tech, Bishop Hannan, Nanticoke and Pittston Area highlighted the grappler's season.

Senior Len Yanovich performed in his usual championship caliber during each meet. The loss of experienced letterman Jerry O'Hara for most of the season was a great blow to the Argents.

The wrestlers were led by tri-captains Len Yanovich, Bill Conyers and Leon Ostrowski.

Leon Ostrowski and Rich Britt performed well in the middle classes and juniors John O'Hara and John Boyle and sophomore Steve Yanovich gained experience in the lower weight class. With this improved strength in these two areas the Hoban wrestlers look forward to a more competitive season next year.



Showing forceful determination, senior tri-captain Len Yanovich maintains control and draws near to another victory.

The swimmers were led by captain Paul Blaum and co-captain Ron Kline who both captured individual firsts in district competition. Co-captain Mike Maley took a first and second at districts and teamed up with Blaum, Kline, and sophomore Vince Wallace to take first in the 400 Freestyle Relay. Wallace also captured two individual second places. The Argent team of Dave Columbus, Tom Austin, and freshmen Clark Bittner and Jim Blaum surprised everyone by taking second in the Medley Relay. Also qualifying for states was senior Jim Panzitta who took first in diving at districts.

The season concluded at Penn State when Paul Blaum became the team's only All-State performer with a fourth place in the 50 Freestyle and a seventh in the 100 Freestyle.

Girls beat Spartans — gain League title

It all sounds very familiar — a young, talented team, an outstanding coach, an almost flawless season, a league title, and a number of swimmers headed for State Competition. Boys swim team, right? Wrong! — Girls swim team!!

The boys must now share the spotlight with a powerhouse of talent which will have to be reckoned with for quite a few years to come. In her second year as head coach, Mrs. Susan Bosher continued that "winning tradition." It was a challenging and successful year which saw a first-half defeat at the hands of cross-river rival Valley West. Hoban came back in the second half and defeated the Spartans thus making way for one of the most exciting meets the league saw all year. Before an overflow crowd at Nanticoke's pool, the Argent girls defeated the Valley West team and walked away with the League title.

Tri-captains Maria DeRojas, Kim Galella, and Nancy Campbell led the young team into competition. Hoban diver Eileen Woods captured first place at Districts and set a new record. The Hoban squad placed second in Districts beating out Valley West and Meyers.

Coach Maloney offers some pre-game advice to a very dynamic trio of Argent ball players.

The action on the field brings a variety of reactions from Bill Ulitchney, Mike Toole, Darrell Zavislak, and Len Yanovich.

Ted Ritsick demonstrates fine fielding ability as he picks up a fast-moving ground gall.

Led by six returning lettermen the Argent squad looks for a successful season under Head Coach James Maloney. In his fifth year guiding the Argents Coach Maloney believes that by cutting down on mistakes and playing more consistently the team should be very much in contention for the playoffs.

Mr. Maloney is assisted by Coach Robert Krehely whose JV's captured the league title last year and newly appointed ninth grade coach William Milz who brings with him an impressive background of being all scholastic at Coughlin and later playing for King's College.

Co-captains for this year are Paul Kempinski and John Yenchak.

Experience proves key to successful season

Spring brings a fresh new group of athletes into the sports spotlight. Bishop Hoban's girls have worked hard over the past seven years to build a strong reputation as an extremely formidable opponent. Fifth year Coach Judy Lugiano's softball team led by seniors Sue Wajers, Annamaria Novak, Sandy Reisinger, and Ann Marie McGovern continues that tradition of strong athletes. The young team of 1977 has developed into a powerful and experienced group capable of defeating any of the opponents they face in the 1978 softball season.

A high pitched ball gets by Sue Wajers.

Anxious to move on Kathy Miskin keeps her eyes glued to the ball.

Daria Vodzak makes a close play at first.

As she keeps an eye on the ball Debbie Zavislak comes across home plate and scores another run.

Between innings, Ann Marie McGovern takes a well deserved break.

Molly Wildes hands off to Ann Murray in the 440 relay.

Gathering together all his strength, Bob Novak winds up for the discus event.

A relieved Mike Zwiebel glides over the last bar.

Pushing himself in the final seconds Joe Wilk crosses the line for another victory.

Before his event begins Ed Benkoski prepares to take one final practice throw.

Pacing himself, Jim Gill pushes towards the finish line.

Track team enters the limelight

Mark Allen takes to the air with the greatest of ease.

The 1977 track season saw a new spark of spirit bring the Argents to a second place standing in District II. The 5-1 record was the best ever. Head Coach Joseph Faust worked vigorously to lead the team to a series of unprecedented victories. New district records were set throughout the season and old school records tumbled as the fighting Hobanites began a new era in Track and Field competition.

The spring of '78 looked bright for the young, yet experienced Argents as they entered the new season with outstanding competitors such as Joe Wilk, Ann Murray, Dan Vestyck, Paul Blaum, Fran Galli, and Mark Allen. Hoping to better their record of last season the team looked optimistically and enthusiastically to competing, knowing that when all is finished it may well be "The Year of the Argent."

To a future All-scholastic Quarterback next year, I hope our team could go far together next year and have a winning season

J. Dau

To a good kid who's been a long time friend (maybe too long) and one of the few guys I can tolerate & honor as a man. Although she is a bouncy Giant bedding, lot of luck in all sports.

B. M. Bill

Joe.

Never forget Booth to class with Macbeth & all of Booth's sick jokes that weren't funny at all. Remember the dull boring days of grammar, and the even more dull and boring days of lit.

Good Luck.

Elaine

P.S. Remember Reg's big mouth.

To Joe

To a nice kid who's been in my homeroom for 2 years now. Must be bad luck I guess. Never forget Walko – Sit Dan. Take it easy over the summer. Good Luck

P.S.

We're stayin' today!
